Subject to certain exceptions, SYNCHRONY BANK is required under section 6050P of the Internal Revenue Code, and the regulations thereunder to issue a Form 1099-C for any discharge of debt of \$600 or more. For these purposes, any portion of a debt that is canceled or forgiven is considered discharged. Under these rules, a discharge of debt must be reported regardless of whether the debtor is subject to tax on the discharged debt. Whether reported to you on Form 1099-C or not, amounts discharged may need to be included in your income. Please contact your tax adviser concerning the particular U.S. Federal income tax consequences to you.

This is an attempt to collect a debt. Any information obtained will be used for that purpose. This communication is from a debt collector. Calls are randomly monitored and may be recorded to ensure quality service.
